

INTERNATIONAL STUDENT ENROLMENT STEPS (ENGLISH PROGRAMS)

Please find below how you can enrol step-by-step into one of the Australian Institute of English Language (AIEL) courses:

1

Choose the qualification(s) from our available courses.

2

AIEL will send you:

1. International Student Enrolment Steps (English Courses)
2. International Student Enrolment Steps (VET Qualifications)
3. International Student Enrolment Form
4. Genuine Temporary Entrant (GTE) Applicant Assessment Form
5. Applicant Declaration
6. Course Fees List
7. Student Support Services
8. Student Visa Checklist 500
9. Course Information Kit
10. Student Handbook

3

If you have any queries about the course or would require more information, AIEL will organise a conference session with you.

4

Complete the International Student Enrolment Form.

5

Complete the Australian Institute of English Language (AIEL) Entry Test to determine which English level course is most appropriate for your study.

6

Send your Enrolment Form and AIEL Entry Test to AIEL admissions, along with:

1. A copy of your valid passport
2. The completed AIEL Entry Test

7

AIEL admissions will issue a Letter of Offer (LOO) and send it to you or your agent.

Note: AIEL may issue a Conditional LOO where required documentation is missing from our application or AIEL may refuse to issue a LOO where we have concerns that an applicant may not present as a 'genuine student'.

8

You sign the LOO as acceptance of AIEL's terms and conditions, you make the payment indicated in the schedule of fees and you meet any conditions listed in the LOO.

AIEL reserves the right to withdraw the LOO at any time.

9

Send the fully completed GTE form and applicant declaration.

10

AIEL will evaluate your GTE form and then will issue an Electronic Confirmation of Enrolment (eCOE) where:

1. Your LOO and GTE are assessed as meeting AIEL entry conditions and requirements.
2. AIEL are satisfied that you are a person genuinely seeking to enter Australia for the purpose of studying our English course/s.

When you receive the eCOE, you or your agent can now apply for a student visa, or you may ask AIEL for assistance in this regard.

11

After the visa is granted, you can then travel to Australia to commence your studies.

12

Upon your arrival in Australia, AIEL will organise an Orientation (Induction) Day.

**Welcome to
AIEL**
